Management's Responsibility for the Consolidated Financial Statements

The accompanying consolidated financial statements of Chippewas of Rama First Nation (the "First Nation") are the responsibility of management and have been approved by Chief and Council.

These consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board. Management is responsible for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Chief and Council are responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and is ultimately responsible for reviewing and approving the consolidated financial statements.

The external auditors, BDO Canada LLP, conduct an audit, in accordance with Canadian generally accepted auditing standards, and express their opinion on the consolidated financial statements. The external auditors have access to financial management of Chippewas of Rama First Nation and meet when required.

On behalf of Chippewas of Rama First Nation:

Independent Auditor's Report

To Chief and Council of Chippewas of Rama First Nation

We have audited the accompanying consolidated financial statements of Chippewas of Rama First Nation, which comprise the consolidated statement of financial position as at March 31, 2018, and the consolidated statements of operations and accumulated surplus, change in net financial assets, and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Chippewas of Rama First Nation as at March 31, 2018, and the results of its operations, changes in net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Other Matters

Chippewas of Rama First Nation has also prepared another set of consolidated financial statements for the year ended March 31, 2018 in accordance with Canadian public sector accounting standards. However, these consolidated financial statements do not include unaudited supplementary schedules. Our audit report on the other set of consolidated financial statements was issued to the members of Chippewas of Rama First Nation and was dated September 24, 2018.

Unaudited Information

These consolidated financial statements include unaudited supplementary schedules which present detailed program revenues and expenditures and have been prepared to assist management of Chippewas of Rama First Nation to meet the reporting requirements of various funding agencies. Our report is intended solely for management of Chippewas of Rama First Nation and various funding agencies. As a result, the financial statements should not be distributed to or used by other parties.

We have not audited, reviewed or otherwise attempted to verify the accuracy or completeness of the supplementary schedules on pages 32 through 65 of the financial statements.

Chippewas of Rama First Nation

Notes to Consolidated Financial Statements

March 31, 2018

1. Summary of Significant Accounting Policies

a) Nature of Organization

Chippewas of Rama First Nation (the "First Nation") provides government type services including education, health and social services, economic development, police, fire, public works, planning, lands and trust, recreation and other general government services.

The First Nation is exempt from income tax.

b) Basis of Accounting

The financial statements have been prepared using Canadian public sector accounting standards.

c) Reporting Entity

The reporting entity includes the First Nation and all entities that are controlled by the First Nation.

All controlled entities are consolidated in the First Nation's financial statements according to the First Nation's percentage ownership except for entities that meet the definition of a government business enterprise or a government business partnership, which are included in the financial statements on a modified equity basis. Inter-organizational balances and transactions are eliminated upon consolidation.

Entities fully consolidated in the First Nation's financial statements include:

Chippewas of Rama Social Housing	- 100%
Waasa Gdi Naabmin (Looking Far Ahead) Trust	- 100%
Ojibway Bay Marina Ltd.	- 100%
455457 Ontario Inc. (o/a Ramcor Developments)	- 100%
1176290 Ontario Limited (o/a Biindigen Gift Shop)	- 100%
1291580 Ontario Inc. (o/a Rama Country Market and Gas Bar)	- 100%
Black River Wilderness Park Limited	- 100%

Under the modified equity method of accounting, only the First Nation's investment in the entity and the First Nation's portion of the entity's net income and other changes in equity are recorded. No adjustment is made for accounting policies of the entity that are different from those of the First Nation and inter-organizational balances and transactions are not eliminated.

Entities consolidated under the modified equity method of accounting in the First Nation's financial statements include:

Rama Parking Inc.	- 100%
Casino Rama Inc.	- 100%
My Lucky Spot - Entertainment Centre Ltd.	- 80%

1. Summary of Significant Accounting Policies (continued)

d) Loans Receivable

Loans receivable are initially recorded at cost less any amount for valuation allowance. Valuation allowances are used to reflect collectability and risk of loss and to reflect loans receivable at the lower of cost and the net recoverable value. Changes in valuation allowance are recognized in expenses in the statement of operations. When the loss is known with sufficient precision and there is no realistic prospect of recovery the loan receivable is reduced by the amount of the loss. Interest income is accrued on loans receivable as earned to the extent it is deemed collectable.

e) Portfolio Investments

Portfolio investments are recorded at cost. Portfolio investments are written down where there has been a loss in value that is other than a temporary decline.

f) Inventories for Resale

Inventory for resale is stated at the lower of cost and net realizable value. Cost is generally determined on a first-in, first-out basis.

g) Tangible Capital Assets

Tangible capital assets are recorded at cost less accumulated amortization. Cost includes all costs directly attributable to acquisition or construction of the tangible capital asset including transportation costs, installation costs, design and engineering fees, legal fees and site preparation costs. Contributed tangible capital assets are recorded at fair value at the time of the donation, with a corresponding amount recorded as revenue. Amortization is recorded on a straight-line basis over the estimated life of the tangible capital asset commencing once the asset is available for productive use as follows:

Land improvements	10 to 25 years
Buildings and structures	10 to 30 years
Roads and bridges	20 to 50 years
Water and waste water systems	50 years
Automotive	3 to 15 years
Equipment	5 to 15 years
Solar panels	20 years
Computer systems	3 years

Certain assets which have historical or cultural value, including works of art, historical documents and historical and cultural artifacts, are not recognized as tangible capital assets.

h) Inventories Held for Use

Inventories of supplies held for consumption are recorded at the lower of cost and replacement cost.

i) Landfill Closure and Post-Closure Accrual

The estimated costs to close and maintain solid waste landfill sites are based on estimated future expenses in current dollars, discounted, adjusted for estimated inflation, and are charged to expense as the landfill site's capacity is used.

1. Summary of Significant Accounting Policies (continued)

j) Pension Plan

The First Nation is an employer member of Manulife Financial, which has a defined contribution pension plan. The Pension Committee, representing plan members and employers, is responsible for overseeing the management of the pension plan, including investment of the assets and administration of the benefits. The First Nation records as pension expense the current service cost.

k) Government Transfers

Government transfers are recognized as revenue in the financial statements when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

l) Revenue Recognition

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis.

Contributions, other than government transfers, are deferred when restrictions are placed on their use by the contributor, and are recognized as revenue when used for the specific purpose.

Revenue related to fees or services received in advance of the fee being earned or the service is performed is deferred and recognized when the fee is earned or service performed.

2. Prior Period Adjustment

A prior period adjustment of \$1,045,395 has been made and comparative amounts have been restated to correct an understatement of deferred revenue and overstatement of accumulated surplus. Previously, the First Nation was recording rent revenue received upon cash receipt, and not on a straight-line basis over the term of the lease. The impact of the prior period adjustment is as follows:

Increase in deferred revenue	<u>\$ 1,045,395</u>
Decrease in accumulated surplus, beginning of year	<u>\$ 1,045,395</u>
Decrease in accumulated surplus, end of year	<u>\$ 1,045,395</u>

My Lucky Spot - Entertainment Centre Ltd.

As at March 31, 2014, the First Nation acquired 6,400,000 participating preference shares at \$1.00 per share in My Lucky Spot - Entertainment Centre Ltd. This represents 100% of the issued preference shares and 80.00% of the voting shares of the company. My Lucky Spot - Entertainment Centre Ltd. is in the process of acquiring, renovating and operating existing bingo centres and electronic gaming centres.

The fiscal year end of My Lucky Spot - Entertainment Centre Ltd. is December 31. As the year end for My Lucky Spot - Entertainment Centre Ltd. does not coincide with the year end of the First Nation, and it is not possible to use financial statements that do coincide, the financial statements used under the modified equity method will be for the year ended December 31. Therefore, December 31, 2017 amounts have been picked up using the modified equity basis of accounting in these financial statements. The First Nation's interest in My Lucky Spot - Entertainment Centre Ltd. is 80.00%.

The long-term debt payable by My Lucky Spot - Entertainment Centre Ltd. consists of two promissory notes due to parties external to the reporting entity.

Principal repayments on aggregate long-term debt over the next five years are as follows:

	Debt due to other organizations within the reporting entity	Debt due to parties external to the reporting entity	Total

16. Long-term Debt (continued)

The First Nation has a non-revolving demand promissory note with an authorized amount of \$6,400,000 for assistance with financing the investment in My Lucky Spot - Entertainment Centre Ltd. Advances are repayable in full on or before September 30, 2021. This demand loan is secured by a guaranteed investment certificate and diversified Canadian growth deposit notes (Note 9).

Under the same credit facility, the First Nation has additional non-revolving demand promissory notes with an authorized amount of \$2,479,301 and \$3,870,000 for assistance in financing the purchase and installation of solar panels and the construction of the Public Works building respectively (Note 20). Advances are repayable in full on or before March 1, 2018, unless the bank agrees to extend the credit. If the bank agrees to extend the credit related to the Public Works building, the loan shall be repaid by an annual amount of \$215,000 or such higher amount as the bank may determine. The solar panel loan is repayable in equal monthly installments of principal of \$14,846 plus interest with a final payment of the balance of principal and interest then outstanding due March 1, 2019. These two demand loans are secured by the First Nation Fund portfolio investments held in Scotiabank and a guaranteed investment certificate (Note 9).

Under the same credit facility, the First Nation has a revolving demand promissory note with an authorized amount of \$1,500,000 for assistance in financing the renovations of the Tim Hortons locations and all other capital equipment. Each advance is repayable in 59 monthly installments with a final payment of the balance of principal and interest on the 60th month.

In addition, to the above long-term debt, the First Nation has an operating line of credit with an authorized amount of \$1,150,000 which bears interest at prime plus 0.5% payable monthly. Within this amount, the First Nation guarantees lines of credit totaling \$150,000 for other government organizations included in these consolidated financial statements. The remaining amount of the line of credit limit is secured by the operating credit line agreement.

The First Nation also has a non-revolving promissory note with an authorized amount of \$11,580,000 for capital infrastructure refinancing, repayable over 30 years. This loan is secured by a Secured Revenue Trust Account (SRTA) for Rama Fee proceeds from Casino Rama. This credit facility has not been drawn on as of March 31, 2018.

17. Solid Waste Closure and Post-Closure Liabilities

Solid waste closure and post-closure care requirements have been defined in accordance with industry standards and include final covering and landscaping of the landfill, removal of ground water and leachates, and ongoing environmental monitoring, site inspection and maintenance. The present value of the First Nation's estimated future liability for this expense is recognized as the landfill site's capacity is used. The liability and annual expense is calculated based on the ratio of utilization to total capacity of the landfill site and the discounted estimated cash flows associated with closure and post-closure activities. The reported liability as at year end was \$1,601,967 (2017 - \$1,496,343) and reflects a discount rate of 3.5% (2017 - 3.5%). The estimated total expenditures for landfill closure costs are approximately \$537,000 with annual post-closure care costs of approximately \$60,000.

The liability is based on estimates and assumptions related to events extending over the remaining life of the landfill. The estimated remaining landfill life is 10 years. There are no specific assets designated for these post-closure costs, though management believes that the current accumulated surplus will be sufficiently maintained to meet this liability. The estimated length of time needed for post-closure care is 50 years.

18. Pension Plan

The First Nation makes contributions to the Manulife Financial pension plan. This plan is a defined contribution plan. The First Nation matches employee contributions up to a maximum of 8% of the employees compensation. Employees have the choice of contributing either 5% or 8% of their compensation to the plan. The retirement benefit for each employee is the amount that can be provided at retirement based on the accumulated contributions made on that individual's behalf and investment earnings on those contributions.

During the year, the First Nation contributed \$1,321,917 (2017 - \$1,303,738) to the defined contribution pension plan and is included in employee benefits in the statement of financial activities. There were no significant changes to the plan during the year.

25. Segmented Information

The First Nation is a diversified government institution that provides a wide range of services to its members such as education, health and social services, economic development, housing, police, fire, public works, planning, lands and trust, recreation and other general government services. Distinguishable functional segments have been separately disclosed in the segmented information.

For each reported segment, revenues and expenses include amounts that are directly attributable to the segment and amounts are allocated on a reasonable basis. Therefore certain allocation methodologies are employed in the preparation of segmented financial information, including transfers that have been apportioned based on a percentage of budgeted expenses.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in the summary of significant accounting policies.

The nature of the segments and the activities they encompass are as follows:

General Government

The general government department oversees the delivery of all governmental services. The department is responsible for ensuring that there are adequate policies and procedures in place to safeguard assets and to properly report financial activities. In addition, this department includes the governance activities of Chief and Council.

Health and Social Services

The health department provides a diverse bundle of services directed towards the well-being of members including such activities as long-term care, medical transportation, pre-natal care, nursing, health representation, traditional healing, family violence and many other smaller programs designed to enhance the health of members. The social services department is responsible for administering social assistance payments as well as providing services directed towards members.

Education

The education department provides services to elementary and secondary students primarily by entering into service contracts with provincially funded area school boards, as well as native language study and early childhood education. In addition, the department reimburses tuition costs and provides living and other allowances to students who are attending post-secondary institutions.

Economic Development and Business Enterprises

The economic development department is responsible for promoting economic growth within the First Nation. Band operated enterprises are activities conducted by the First Nation with the objective of promoting economic self-sufficiency. These operations include but are not limited to the retail mall, country market, gas station, marina and gift shop.

25. Segmented Information (continued)

Housing and Social Housing

Social housing is responsible for administering and providing affordable housing within the First Nation, including unit allocations, rental assessments, collections and maintenance and repairs.

Lands and Trust

Lands and trust includes rental of the land and trust distributions.

Recreation and Culture

The First Nation provides a wide array of recreation services, including youth leadership programs, sport programs and clubs, and various special events.

Special Projects

The First Nation provides a wide array of other services included in special projects.

Operations and Maintenance

The operations and maintenance department provides public services that contribute to community development and sustainability through the provision of operating services such as roads and community buildings maintenance.

Fire and Police

Fire services is responsible for providing fire suppression service, fire prevention programs, and training and education related to prevention, detection or extinguishment of fires. Police services responsibility is to ensure the safety of the lives and property of citizens, preserve the peace and good order, prevent crimes from occurring, detect offenders and enforce the law.

Water and Waste Water

The water and waste water departments provide public services that contribute to community development and sustainability through the provision of water and sanitation services.
