

Allysha Wassegijig Thankful 2

Hi Xmas Judges,

This year, I'm thankful for my family and friends, for all of their love and support to my boys and I after a challenging year. From helping me with lawn care, moving, dropping off meals, buying diapers, to just being a loving listening ear.. I'm so grateful for all of the good people in our lives.

Above all I'm especially thankful to my mom for all of her help. This year she opened up her home to us and provided everything we needed without hesitation. Every weekday she puts my Caleb on the school bus and is there when he comes home. She even brushes all the snow off my car in the morning.
