

Christmas Paying it Forward

We do a few things for Christmas Paying it Forward.

We usually participate in the Christmas Box drive that the Daycare does. This year, Neve will pick a toy out for the Toy Drive.

We donate a turkey and dinner items to the Lighthouse.

Neve does a Christmas shop at the grocery store. She gets a dollar amount and buys things to donate to the food bank.

At work, I love helping to get a staff breakfast together with my amazing colleagues. Hopefully we will be able to do that again soon. I like to do something special for my classes: ornament making, baking, hot chocolate, treats, lots of games with prizes.

Merry Christmas from Dee and Neve Walmsley!
