

Julie Deleary Family Christmas tradition....

Our family has a Brunch we celebrate on boxing day. We call it "Grunch-mas" its a Grinch themed day everyone wears Grinch pajamas, clothing or some of the younger kids dress as a character from the movie. The house is decorated with Grinch decor. All the food is Grinch themed from green pancakes with heart sprinkles, green punch, Grinch themed fruit kabob's and baked goods. We watch the movies and play games. Its become an exciting tradition for our family and extended family, ever year it gets a little more Grinchy.
